BUDDYEX Minting Node Investment Disclaimer

Please read the following disclaimer carefully before making any investment decisions regarding the purchase of a minting node for the mintable token offered by BUDDYEX. This disclaimer outlines important information, risks, and limitations associated with such an investment.

- 1. No Financial Advice: The information provided in this disclaimer, as well as any other materials or communications related to the investment opportunity, should not be considered as financial or investment advice. BUDDY Corporation & BUDDYEX does not provide financial, legal, or tax advice. Investors should seek independent professional advice before making any investment decisions.
- 2. Market Volatility: The cryptocurrency and blockchain markets are highly volatile and subject to rapid price changes. The value of the mintable token may be affected by market conditions, regulatory changes, technological developments, and other factors beyond the control of BUDDY Corporation & BUDDYEX
- 3. Regulatory Compliance: The purchase and ownership of a minting node may be subject to legal and regulatory requirements in your jurisdiction. It is your responsibility to ensure compliance with applicable laws and regulations, including but not limited to anti-money laundering (AML) and know your customer (KYC) requirements.
- 4. No Guarantees or Warranties: BUDDY Corporation & BUDDYEX makes no guarantees or warranties regarding the profitability, performance, or future prospects of the mintable token or the minting node. The investment opportunity is provided on an "as is" basis, and investors bear all risks associated with the investment. Investing in a minting node involves market and governance risks, including but not limited to the risk of loss of the invested capital.
- 5. Limited Liquidity: The ability to sell or transfer the mintable tokens generated by the minting node may be subject to limitations or restrictions, including limited liquidity and trading volume. Investors should be prepared for potential difficulties in selling or exchanging the tokens.
- 6. Tax Considerations: The purchase, ownership, and disposal of the mintable token may have tax implications. Investors should consult with a tax advisor to understand the tax obligations and potential consequences associated with their investment.
- 7. Forward-Looking Statements: Any statements made regarding future events, expectations, or projections are forward-looking statements and involve inherent risks and uncertainties. Actual results may differ materially from those expressed or implied by such statements.

By proceeding with the purchase of a minting node for the mintable token, you acknowledge that you have read, understood, and accepted the terms of this disclaimer. You further agree to release [Your Company Name/Individual] and its affiliates, directors, officers, employees, and agents from any and all claims, liabilities, damages, or losses arising from your investment.
